

**Narajole Raj College**  
Presents

**One Day State Level Seminar On**  
*"Wildlife and its Ecological  
Consequences"*

*Organized by,*  
*Department of Zoology in Collaboration with Department*  
*of Botany and Physiology*

Date: 27<sup>th</sup> April, 2023: Time: 11:00 A.M. onwards  
Venue – Narajole Raj College

*under the guidance of IQAC, Narajole Raj College*

**About the Department:**

The Department of Zoology is one of the enriched Departments of Narajole Raj College. The Zoology (General) Course was first introduced in 2001. At first, the course was taught at old building i.e., "RAJ BHAWAN" and the Zoology (Honours) course was first introduced in 2013 now at new building from December 2012, onwards. The students and the teachers work very hard for the overall development of the department and they go on ahead to fulfil their long-cherished desire of enrichment of the Department, keeping this hard mission in mind. Every year the students pass the Vidyasagar University examination with flying colours.

**About The Seminar**

Zoology focuses not only on the study animals and wildlife organisms, their traits and characteristics but also on how they interact with their ecosystem. Wildlife and biodiversity in general are threatened by land use change and land degradation, deforestation, pollution, climate change and ocean acidification. These are all issues that also threaten the well-being of human beings and sustainable development. Biodiversity is essential for the processes that support all life on Earth, including humans. Without a wide range of animals, plants and microorganisms, we cannot have the healthy ecosystems that we rely on to provide us with the air we breathe and the food we eat. Wildlife plays a vital role in maintaining the balance of our ecosystem. It serves various purposes ranging from protecting our biological diversities to maintaining our cultural ethos. Wildlife is indispensable for striking a crucial balance that enables us to live and grow. India supports an extremely high diversity of wildlife. Sustainable use is when biodiversity and ecosystem functioning are maintained while contributing to human wellbeing. So, keeping this in mind, a one-day State Level Seminar on "Wildlife and its Ecological Consequences" is organized by Department of Zoology in Collaboration with Department of Botany and Physiology under the guidance of IQAC, Narajole Raj College.

**Topic of Discussion:** *"Diversity and Functional Significance of Wildlife in India towards maintaining Ecological Sustainability: An Indian perspective"*

## Invitation

Dear Sir/Madam,

We are pleased to inform you that the Department of Zoology, Narajole Raj College is going to organize a One Day State Level Seminar On “Wildlife and its Ecological Consequences” on 27<sup>th</sup> April, 2023 from 11:00 A.M.

A good number of renowned academicians from various Institutes /Universities will grace the seminar with their profound knowledge and fruitful presentations.

We solemnly solicit your active association in this seminar.

With warm regards.

**Dr. Ranajit Kumar Khalua**  
Vice Principal  
Narajole Raj College

**Dr. Poulami Adhikary Mukherjee**  
Convenor  
Narajole Raj College

### Eminent Speaker:

**Dr. Susanta Kumar Chakraborty**  
Professor of Zoology  
Former Head, Department of Zoology  
Former Dean, Faculty of Science  
Vidyasagar University  
Midnapore, West Bengal – 721102

### Chief Patron:

**Dr. Ranajit Kumar Khalua**  
Vice Principal  
Narajole Raj College

### Convenor:

**Dr. Poulami Adhikary Mukherjee**  
Assistant Professor  
Head of Department of Zoology  
Narajole Raj College

### Treasurer:

**Dr. Poulami Adhikary Mukherjee**  
Assistant Professor  
Head of Department of Zoology  
Narajole Raj College

### IQAC Co-ordinator:

**Prof. Pragna Paramita Mondal**  
Narajole Raj College

### Programme Schedule:

- 11:00 A.M.: Inauguration speech by Prof. Nandita Bhakat
- 11:05 A.M.: Felicitation of Dignitaries and welcome song.
- 11:15 A.M.: Welcome address by Dr. Ranajit Kumar khalua, Vice Principal, Narajole Raj College.
- 11:20 A.M.: Address by IQAC Co-ordinator Prof. Pragna Paramita Mondal,
- 11:25 A.M.: Lightning of lamp
- 11:30 A.M.: Plenary 1: Dr. Susanta Kumar Chakraborty
- 12:30 P.M.: Plenary 2: Dr. Dulal Kumar De
- 01:30 P.M.: Lunch break
- 03:00 P.M.: Plenary 3: Dr. Amitava Pal
- 04:00 P.M.: Valedictory Session and vote of thanks by Dr. Uttam Kumar Kanp, Assistant Professor
