## Best Practices 2021-22

### 1. To Provide e-learning Platform in a Pandemic Situation

The institute reopens after a long pandemic period while maintaining social distance. A large number of e-materials are uploaded in Google Classroom and the website and video lectures on the college's official YouTube channel to cover the syllabus and provide additional resources. 09 seminars/workshops/special lectures are organized by different departments/cells to bring together subject matter experts to share their knowledge and thoughts among the students. Teaching at the right level and the needs of the students are provided through continuous evaluation by SLOW and ADVANCE LEARNERS MECHANISM and remedial/tutorial classes to enable them to minimize their learning gaps.

### 2. Inclusive Growth & Transformative Career Development

The institute has expanded its developmental agenda to include the community, surroundings, and all categories of stakeholders. Inclusive growth ensures that opportunities and access are distributed fairly across society and helps to improve the quality of life of all groups of individuals. The Career Counselling Cell of Narajole Raj College has organized Free Coaching Classes for the Young Aspirants on W.B.C.S and Allied Services from 30.04.2022 (ongoing) to cater to the needs of the current students and alumni members and also for eligible local youth.
