## Two-day National Level Webinar on Adhunik Bharatiya Kotha Sahitya: Jibon Songram O Udborton Prosongo

Organised by Department of Bengali

In collaboration with

IQAC, Narajole Raj College

28.06.2020 & 29.06.2020

Department of Bengali of Narajole Raj College has organised a **TWO-day National Level Webinar on Adhunik Bharatiya Kotha Sahitya: Jibon sangram O Udborton Prosongo** on **28.06.2020 & 29.06.2020** at **10-30 am and onwards** in collaboration with IQAC, Narajole Raj College through online platform via Google Meet Application. We are feeling very blessed to host this National Level webinar, particularly in this tough time, during this lockdown situation, due to pandemic of Covid 19 virus.

**Necessity of the webinar:** Literature is an aesthetic product, originated from human nature and society. So, amidst this pandemic situation, Dept of Bengali, of the college, thought it fit to arrange a program which will give us a relief from regular panicky of pandemic and will spread the positive vibes amongst the students and common people's mind, not only in a national crucial time, but also in a worldwide grave situation.

**Resource Persons:** Dr. Srabani Pal (Professor, Department of Bengali, Rabindra Bharati University), Dr. Chandramalli Sengupta (Associate Professor, Ashutosh College), Dr. Saleha Khatun (Associate Professor, Department of Bengali, Midnapore College), Dr. Nirmal Das, (Assistant Professor, Department of Bengali, Tripura Central University), Dr. Shantanu Mondal, Assistant Professor, Department of Bengali, Kalyani University), Dr. Maharshi Sarkar, Assistant Professor, Department Of Bengali, Vidyasagar University) are the respected invited speakers from various universities and colleges of this state and country as well.

**No of Participants:** Total 538 faculty members of different colleges, research- scholars of different universities, students of our college and other colleges and universities have participated in this National Level webinar.

**Topic Discussed by the Resource Persons:** Dr. Srabani Pal, delivered her lecture on the topic with special focus on Bengali short stories. Dr. Santanu Mondal discussed on the topic with special reference of Bengali novels of seventies and eighties. Dr. Nirmal Das discussed on the novels of Tripura. Dr. Chandramalli Sengupta and Dr. Saleha Khatun discussed on Indian regional short stories, Dr. Maharshi Sarkar, delivered his lecture on "no man,s land' literature. All the resource persons discuss explicitly how 'struggle for existence and survival of the fittest' – the basic rules of animal existence persist in human nature and society and in what different ways the Indian literature depicted the fact with its artistic representation. The overall discussion focuses on the fact that struggle is eternal in man's life and the true spirit of human life reflects in courageous and tireless efforts to overcome the adversities of life.

**Outcomes: i)** The discussion reveals the spirit of human nature as to combat with ups and downs of our daily life. **ii)** This is a topic which is comparative in nature. So, in course of discussion, the pan-Indian people's life has been discussed and analysed through literature. **iii)** Through this webinar, a socio-cultural perspective of Indian livelihood has been highlighted. **iv)** Attendees got the idea about various Indian fictions and short stories.

The webinar enkindled the conscience and compassion of the delegates about the struggle for existence in human life. We noticed that, during this pandemic situation, the sense of morbidity in our society has been nurtured and discussed frequently; this endeavour is an approach to motivate the people to bind themselves into true spirit of life. We hope that the webinar may spread positive vibes about life on the contrary of this pandemic negativity.

## One day National Level e-Workshop on Intellectual Property Rights

Organised by IPR Cell and Department of Physics

In collaboration with

IQAC, Narajole Raj College

30.08.2020

The IPR Cell and Department of Physics of Narajole Raj College has organised a **One day National Level e-Workshop on Intellectual Property Rights** on **30.08.2020** at **04-30 pm** in collaboration with IQAC, Narajole Raj College through online platform via Google Meet Application. We are feeling very blessed to host this National Level e-workshop, particularly in this tough time, during this lockdown situation, due to pandemic of Covid 19 virus.

**Necessity of the workshop:** We have become more and more interested to create the awareness about Intellectual Property Rights and simultaneously development of in-house expertise regarding IPR. Therefore, we have organized this National Level e- Workshop on Intellectual Property Rights.

**Resource Persons:** Dr. Tapas Kumar Bandyopadhyay (Associate Professor, Department of Metallurgical & Materials Engineering & Rajiv Gandhi School of Intellectual Property Law, IIT-Kharagpur), Dr. Niharika Sahoo Bhattacharya, (Assistant Professor, Rajiv Gandhi School of Intellectual Property Law, IIT-Kharagpur), Dr. Bhaskar Bhowmick (Assistant Professor, Rajendra Mishra School of Engineering Entrepreneurship, IIT-Kharagpur), Ms. Arpita Ghatak, (PhD Scholar, Rajendra Mishra School of Engineering Entrepreneurship, IIT-Kharagpur) are the respected invited speakers from Indian Institute of Technology, Kharagpur, India,. Also, our Honorable Principal -Dr. Anupam Parua, PhD, C.S. is one of the resource persons.

**No of Participants:** Total 65 faculty members of different departments of our college have participated in this National Level e-workshop.

**Topic Discussed by the Resource Persons:** Dr. Niharika Sahoo Bhattacharyya delivered the Keynote address on the topic of Intellectual Property Rights. She covered the topics-IP and economic development, different forms of IPR, Patent, Trademark and Sui Genesis Law, Academy Industry Relationship, etc. The second phase of the programme was a panel discussion by the eminent speakers. In panel discussion Dr. Bhaskar Bhowmik discussed the importance of Intellectual Property Rights in Higher Education Institution, Dr. Tapas Kumar Bandyopadhyay and Ms. Arpita Ghatak discussed the importance of Intellectual Property Rights, Patents, IPR Law and Policy more elaborately, whereas our Principal Anupam Parua discussed the importance of Trademark and Copyright more elaborately. The overall panel discussion focuses on the development of in-house expertise for assessment and filling of provisional patent applications, commercialization of patented technologies as well as awareness about the rights that automatically vest to someone who creates an original work of authorship – like a literary work, song, movie or software academic/research institutions.

**Outcomes:** The awareness about Intellectual Property Rights are created among the faculty members of our college. We have got the idea that IPRs have various verticals including patent, trademark, design and copyright, where some aspects are more talked about the academic community than others. The academic community needs a higher level of

sensitization an exposure to patenting, copyrights of their publications as well as technology commercialization. The policy of Government of India is that all academic/research institutions should also develop in-house expertise for assessment and filling of provisional patent applications, commercialization of patented technologies as well as awareness about the rights that automatically vest to someone who creates an original work of authorship – like a literary work, song, movie or software. The e-Workshop will enkindle the awareness about the Intellectual Property Rights among us. Finally, we hope that we shall develop in-house expertise concerning IPR by getting inspirations from the resource persons.

Two-Day National Level Webinar on  
“Recent Advances in Pure & Applied Mathematics (RAPAM)”  
organized by Dept. of Mathematics of Narajole Raj College  
In collaboration with IQAC, Narajole Raj College  
10.07.2020-11.07.2020

Department of Mathematics of Narajole Raj College has organized a Two day National Level Webinar on *Recent Advances in Pure & Applied Mathematics (RAPAM)* from 10.07.2020-11.07.2020 in collaboration with IQAC, Narajole Raj College through online platform via Google Meet Application. In this covid-19 situation to continue mathematical thinking and motivate the students towards mathematics, we have planned this Webinar.

**Necessity of the webinar:** It is said that ‘Mathematics’ is the mother of all subjects. We all know that the outbreak of novel Corona virus has disrupted the normal life all over the world. In this backdrop, in order to reach the mind of the students and motivate them towards study it is very essential to organize some lectures by the experts of different subjects apart from regular teaching.

**Resource Persons:** Dr. Chandal Nahak (Professor, IIT Kharagpur), Dr. Madhumangal Pal (Professor, Vidyasagar University), Dr. Anita Pal (Associate Professor, Vidyasagar University) and Dr. Nabakumar Jana (Assistant Professor, ISM(IIT) Dhanbad) were the eminent speakers for the webinar.

**No of Participants:** A reasonable number of students, scholars, teachers were present in both google meet and live streaming (Youtube) platform from different parts of India. Also thirteen delegates had presented their research paper. The total no of participants given as follow:

Date	Day	Google meet link	No of participants
10.07.2020	1st	<a href="https://meet.google.com/ajj-mrkt-fwr">meet.google.com/ajj-mrkt-fwr</a>	200
11.07.2020	2nd	<a href="https://meet.google.com/ctb-socr-cpm">meet.google.com/ctb-socr-cpm</a>	187

**Topic Discussed by the Resource Persons:** Dr. Chandal Nahak delivered the Keynote address on the topic ‘Fractional Calculus and its Applications’. Dr. Madhumangal Pal discussed on the topic ‘An Introduction to Fuzzy Sets.’ The next session was paper presentation. On the second Day Dr. Anita Pal delivered a lecture on ‘Colouring of Graphs’. Then Dr. Nabakumar Jana gave his talk on ‘Introduction to Monte-Carlo Simulations & Multi-Component Reliability Estimation’. The next session was paper presentation.

**Outcomes:** Mathematics is the foundation of engineering, computer science, software design, economics, statistical analysis, and many number of professions. Through the lectures of invited speakers we learn fundamental things of fractional calculus, fuzzy sets, graph theory and statistics. Students came to know about broad areas of both pure and applied mathematics. This webinar will help all the participants to enrich their knowledge as well as interest in this core subject.

**Concept Note:**  
 In the history of human civilization, it is observed that Epidemic, Pandemic and Famine originated through the spread of fatal disease causing carriers, natural disasters, ruler's intrigue towards the vast masses of people causing a huge loss of millions of lives. So far we know epidemic or pandemic like Plague before 540 BC, Black Death of 1347, London Plague of 1665, influenza of 1918 and Ebola Virus of the recent past of 2014 etc. The prevailing COVID 19 has not only caused a huge loss of lives but also affected the socio-economic, political, cultural fields in a large extent. We see value, ethics, humanity, morality, justice are gradually dying in the society. Eventually we observe, destructing the above subtle human qualities, it has created hindrance to the advancement of human civilization. In this very crucial time, a 2day International Webinar on "History of Pandemics" to be held on 16th and 17th of July, 2020 will focus on the following issues so that in the present scenario the people of the entire globe will be aware of the subject and will get a guideline to determine their desired goal.

**SUB THEMES:** Pandemics & its Impact on -  
 Human Society  
 Politics  
 Public Health  
 Economy  
 Literature  
 Morality

**IMPORTANT DATES:**

1. Registration: 06.07.2020 (20.00 hrs) to 15.07.2020 (20.00 hrs.)
2. Submission of abstract: 06.07.2020 (20.00 hrs) to 14.07.2020 (20.00 hrs.)

## **REPORT OF GENDER EQUITY PROGRAMME:**

One day workshop on Women Entrepreneurship: Extra Ordinary Journey of Ordinary Women, organized by Internal Quality Assessment Cell (IQAC), Narajole Raj College dated 22.09.2021 with technical support of Technology subcommittee, Narajole Raj College through on-line platform via Google Meet Application. We are feeling blessed to host this workshop, particularly in the tough time, during the lockdown situation due to pandemic of COVID-19 virus. The workshop was organized specially for the girl's students of the college. The chief patron of the programme was Dr. Anupam Parua, principal, Narajole Raj College.

The Resource Persons were And Mrs. Arpita Ghatak, Doctoral Student, Rajendra Mishra School of Engineering Entrepreneurship, IIT Kharagpur.

No. of Participants: Total participants were 31 along with girls students and faculties of different departments of Narajole Raj College.

Programme was started at 10.45 a.m. with the introductory address highlighting the objective of the workshop and welcome address was given by Prof. Baisali Guha, Assistant Professor, Head, Department of History and member IQAC, Narajole Raj College. Then the programme was inaugurated by Dr. Anupam Parua, Principal Narajole Raj College. Technical session the discussion was on women entrepreneurship by the speaker Mrs. Arpita Ghatak.

Necessity of the programme: Roll of women in Indian society and economy is vital. Entrepreneurship is one of the means to make involve women in Nation-building. The institutional initiatives towards women entrepreneurship is necessary. The necessity of the programme was to flourish women entrepreneurship in the remote rural area like Narajole. In this programme the main purpose was to discuss the concept and classifications of women entrepreneurship. The hurdles faced by women and the Government schemes for women development was also discussed. The necessity was to tell the success stories of women of different parts of the country to the girl students to motivate them for entrepreneurship in future days.

The outcome from this on-line workshop an awareness raises among the students on women entrepreneurship and introducing entrepreneurship as a feasible carrier option. The participants get an opportunity to discuss and validate their ideas related to entrepreneurship. The most important outcome of the programme was that in future the students will have the help of the institution in entrepreneurship skilling, marketing assistance, small funding, financial assistance and compliances support. Principal, Dr. Anupam Parua assured the students to help them in future in the field of women entrepreneurship.

# One-day Online Workshop On Women Entrepreneurship: Extra Ordinary Journey of Ordinary Women

Organized By

**Internal Quality Assurance Cell (IQAC)**  
Narajole Raj College, Narajole, Paschim Medinipur, Pin- 721211

**Date: 22.09.2021 at 11 am-1.30pm**

Dear Students,

It is a great pleasure to inform you that the, Internal Quality Assurance Cell (IQAC), Narajole Raj College is going to organize One-day workshop On 'Women Entrepreneurship: Extra ordinary journey of ordinary women'-targeted the girl students of our under graduate level to equip themselves with a concept of entrepreneurship. The one-day workshop is an approach to open up the career-building concepts of our participants.

We cordially invite you to participate in the Workshop and share your views on the subject.

With warm regards,

**Dr. Anupam Parua**  
Principal  
Narajole Raj College

**Prof. Baisali Guha**  
Programme Co-Ordinator

In this backdrop, our institution is also trying to sensitize the students, especially the girl students, to capture the equilibrium of social equality. Keeping this aspect in thought, along with their regular syllabus-oriented studies, institution decides to empower the girl students in each viable manner. We must agree that, monetary independence is a vital situation of being empowered. So, we like to facilitate and enlighten our students with numerous concepts of employability. In India, the scope of employability in regular office job is shrinking daily. So, it is the high time to widen our imagination and prescient with comparatively new ideas. We thought, entrepreneurship can be a non-traditional path to explore the ideas and abilities of our girl students. A one-day workshop on, 'Women Entrepreneurship: Extraordinary journey of ordinary women'-targeted the girl students of our under graduate level to equip themselves with a concept of entrepreneurship. The one-day workshop is an approach to open up the career-building concepts of our participants.

## Concept note:

Women's empowerment and achieving gender equality is essential for our society to ensure the sustainable development of the country. Many world leaders and scholars have argued that sustainable development is impossible without gender equality and women's empowerment. Sustainable development accepts environmental protection, social changes and economic development, and without women's empowerment, women wouldn't feel equally important to the process of development as men. It is widely believed that, the full participation of both men and women is critical for development. Only acknowledging men's participation will not be beneficial to sustainable development. In the context of women and development, empowerment must include more choices for women to make on their own. Without gender equality and empowerment, the country could not be just, and social change wouldn't occur. Therefore, scholars agree that women's empowerment plays a huge role in development and is one of the significant contributions of development.

DEPARTMENT OF PHYSIOLOGY

## A One Day State Level Webinar on "**Health Aspects and Management of Covid-19 Pandemic**"

**Organized by** Department of Physiology under the guidance of IQAC, Narajole Raj College

**Date of the Webinar:** 29<sup>th</sup> June, 2020.

**Time of the Webinar:** 10:45 A.M. – 2:00 P.M.

Department of Physiology of Narajole Raj College has organised a One Day State Level Webinar on "**Health Aspects and Management of Covid-19 Pandemic**" on 29.06.2020 at 10:45 a.m. under the guidance of IQAC, Narajole Raj College through online platform via Google Meet Application. We are feeling very blessed to host this State Level Webinar, particularly in Covid time.

**Rationale of the Webinar:** As we, all know that the outbreak of Corona virus has disrupted the normal life all over the world; an unprecedented situation has forced us to see the world from a completely new perspective. Considering the massive health and economic burden due to COVID-19 pandemic, it is important that communities take action and follow certain necessary steps so as to prevent further transmission and support some control measures. With active support of the society, it is possible to face the challenges and threats posed by the growing pandemic COVID-19. So with this objective of contributing knowledge regarding the management of COVID-19 through digital platform, this National Webinar on "**Health Aspects and Management of Covid-19 Pandemic**" has been organised by COVID-19 (Redressal) cell of Narajole Raj College with an aim to disseminate knowledge on how to mitigate the deleterious effects of COVID-19 on population health through integrated and synergistic approach of healthy living and lifestyle changes.

**Resource Persons:** Dr. Kishalay Jana (District Epidemiologist, Paschim Medinipur), Dr. Keshab Chandra Mondal (Professor & Head, Dept. of Microbiology, Vidyasagar University), Dr. Chandradipa Ghosh (Professor, Dept. of Human Physiology, Vidyasagar University), and Dr. Goutam Paul (Professor & Pro Vice-Chancellor, Kalyani University) were the respected invited speakers..

**No. of Participants:** Total number of participants was 200. Faculty members of our college and students of our college have participated in this State Level Webinar.

**Topic discussed by the Resource Persons:** Dr. Kishalay Jana has discussed on the topic "Exploring and Understanding the Covid-19 Pandemic: Epidemiology". Dr. Keshab Chandra Mondal has discussed on the topic "Pathophysiology of Covid-19." Dr. Chandradipa Ghosh has discussed on the topic "Survival Challenges with Covid-19: Infection and Immunity." Dr. Goutam Paul has discussed on the topic "Health Impacts of Covid-19: Physiological Basis and Management through Personal Hygiene".

**Outcomes of the Webinar:** All the participants got the idea about the present situation of COVID-19 pandemic and our health status and its consequences. The discussion revealed about Corona Virus and suggesting about diet to safe from this virus. The discussion also showing our immune system and also showing how our immunity affected by different microbes. The discussion also explored the policies that promote high-quality health services in this current situation. The discussion considered the health and hygiene in Covid-19 Pandemic situation. All the participants follow certain necessary steps so as to prevent further transmission of virus and support some control measures in future. The discussion proposed the several approaches to improving health systems to face Covid-19 Pandemic situation. All the young students and teachers made themselves thoroughly updated on the topic and gained knowledge regarding the management of COVID-19 and follow in future.

The Department of Political Science of Narajole Raj College has organized a **programme on Human Rights in the post Covid world on 10<sup>th</sup> December 2020** through online platform via Google Meet Application. The theme of the International Human Rights for this year 2020 is selected by the United Nations as **Recover Better- Stand Up for Human Rights**. We are feeling very blessed to host this programme, particularly in this tough time, during this lockdown situation, due to pandemic of Covid 19 virus.

**Necessity of the Programme:** Every year Department of Political Science of Narajole Raj College celebrates International Human Rights Day through different activities and programmes. This is not because Human Rights is included in the Syllabus of Political Science but also for a greater purpose i.e. to make aware of Human Rights to the students of other Departments also. Students from other Departments also take part in this programme.

**About the Programme:** This year, we organized programme a programme through online platform via Google meet Application. Sri Amarnath Sukul, Advocate, High Court, Kolkata, delivered a speech on "**Human Rights in India: Violation of Human Rights and their remedies**". After his lecture, students took part in the interactive session. Three students ,i) Rianka Parvin from Department of Political Science, ii) Srinika Maity from Department of Political Science and Suman Bera from Department of History spoke on "**Significance of International Human Rights Day**", "**Gender Discrimination and Human Rights**" and "**Role of State Human Rights Commission**" respectively. Other participants also took part in the interactive session.

**No of Participants:** Total 35 students and Faculty members of other Departments took part in the programme.

**Outcomes:** The explanations and information on Human Rights and the institutions and Acts related with human Rights application enriched the participants and they gained a clear conception on the issues. Besides the scholars' interpretations and analyses, new thoughts were expressed through the presentations of the students. As the eager students of Political Science and responsible citizens of our Country, we must be aware of the current political issues and problems related with Human Rights in our country as well as the world. The programme enkindled the awareness about the theory and application of Human Rights among the participants and fulfilled the aim and objective of organizing the programme.

## **Two Day National Webinar on**

### **“Indo-China Border Tension : A Rising Threat To the Neighbours”**

**Dt. 20/07/2020 & 21/07/2020**, Organised by the Dept. of Political Science Under the guidance of **IQAC, Narajole Raj College And assistance with Seminar and Workshop Committee and Technology Sub Committee, Narajole Raj College**

The department of Political Science has organized a two day national webinar on “Indo-China Border Tension: A Rising Threat To the Neighbours” on 20.7.20 and 21.7.20 through online platform via Google Meet Application under the guidance of IQAC, and assistance with Seminar and Workshop Committee and Technology Sub Committee, Narajole Raj College.

**Rationale of the Seminar:** The conflict at Galwan Valley on June 15, 2020 have distracted the decade long careful effort to rein in hostilities between India and China – the two largest countries in Asia. It is almost certain that the border conflict will affect the trade and economic relation between the two countries and also their neighbouring countries. In such a political scenario, Dept. of Political Science felt it urgent to discuss the issue and be acquainted with the views of the experts in this field. So, this two day webinar has been organised to discuss the issue, find out solutions from the experts all over India.

**Resource person:** Professor Raj Kumar Kothari, Dept. of Political Science, Vidyasagar University, was the keynote Speaker. Prof. Rakesh Batabyal, Dept. of History, Jawaharlal Nehru University, Prof. Budh Bahadur Lama, Assistant Professor, Department of Political Science, School of Social Sciences Sikkim Central University, East Sikkim, Gangtok, Dr. Nita Paul, Associate Professor of Political Science of Tinsukia Women’s College and Prof Sanjukta Roy, Assistant Professor of Political Science, Bethune College were the Resource persons of this webinar.

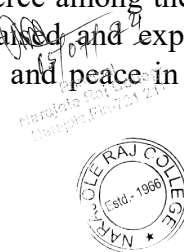

#### **No of participants :**

The participants included mostly the students of various departments of the college and delegates from other colleges and universities. The total strength of the students was noted to be 110. Along with the students, teaching faculties from other Departments were also present in the webinar. 10 delegates from different colleges presented their papers in the webinar.

#### **Topic discussed by the Resource person:**

The resource persons discussed very effectively the background and root causes of the emergence of the border crisis between India and China. They clearly analyzed the changes occurred in Government policy, bilateral relationship, trade and commerce among the neighbor countries like Nepal, Bangladesh, Pakistan and Bhutan. They also raised and explained the presumed impacts of this border tension on the stability, development and peace in the Asian sub-continent.

#### **Outcomes:**

We gained a clear knowledge about the political and economic scenario. From the discussions and interactions, students came to know the political crisis and its presumed impacts on socio-economic, political sphere of our country as well as in this sub – continent. They also came to know that only sincere negotiation between the India and China could find out the solution. Above all this webinar explored the complex debates around the bilateral issues between India and China.

**Feedback:**

The students were very delighted to have got an opportunity to participate in the aforesaid titled webinar.

They interacted with the resource persons and talked about their own view of this border crisis. This created an environment of open ended exchange of knowledge between the students and the resource Persons. . The students also demanded to participate in such type of webinars in the future also. At last, it can be ascertained that the motive of the webinar which was to create academic interest among the students was achieved successful.

The National Level Web Lecture Series

Organised by, Department of English

In collaboration with IQAC, Narajole Raj College

05.07.2021 to 09.07.2021

Department of English of Narajole Raj College, under the leadership of Prof. Milan Mondal, Assistant Professor of the Department, has organised a Four-day (Five Session) long National Level Webinar on and from 05.07.2021 - 09.07.2021 (in five sessions), in collaboration with IQAC, Narajole Raj College, using online platform via Google Meet Application. It is a matter of great pleasure for one and all stakeholders of our esteemed college as we were able to successfully host the Lecture Series in spite of this unprecedented time of Covid-19.

**Purpose of the web Lecture Series:** As we have been passing through a hard time, we primarily aimed at a kind of academic refreshment for our student. Besides, we tried to bring students, teachers, scholars, and the persons of academia under the same umbrella for a kind of rich literary and critical dissemination at a pan-India level.

**Resource Persons:** Professor Deb Narayan Bandyopadhyay (Hon'ble Vice-Chancellor, Bankura University), Ranjan Ghosh (Department of English, North Bengal University), Sukhendu Das (Assistant Professor, English and Culture Studies, Bankura University), professor Goutam Ghosal (Former Head of the Department of English, Visva-Bharati University, Santiniketan) & Dr Auritra Munshi (Assistant Professor, Raiganj University) were the eminent invited speakers. They all enriched us through their charismatic lecture in their respective topic.

**No of Participants:** A reasonable number of students, scholars, teachers and persons from academia were present in both google meet meeting and live-streaming (You Tube) from different parts of India.

**Topic Discussed by the Resource Persons:** Prof. Bandyopadhyay delivered the inaugural lecture on "**Homer and the Rise of the Epic**". Ranjan Ghosh's discourse was on "**Speaking to a plastic rock**". Mr. Sukhendu Das put light on "**Refiguring the Anthropos in the Anthropocene**". Prof. Ghosal talked on "**Emerson and the American Renaissance**". The last, but not the least session was on "**Does Border Matter?: A brief overview on Partition Literature**" by Dr. Auritra Munshi.

## Summary report of Joint forest management in southwest Bengal

**Rationale of the webinar-** Trees and forests are very important for the long survival of the civilization. They supply oxygen for the living World. On the other hand, deforestation was done to build civilized towns and cities for sake of the interest of the people. That trend still continues. The seminar was organized for the awareness of the people that we have to maintain forest now to make the World a good habitat of the living being.

**Plan of Work-** Members of the Green Club met on 17.11.2021 through online mode to discuss the above issue and decided to organize a webinar. The convener was interested to contact a resource person to discuss in the seminar with students, faculties, staffs and village people. It was decided in the meeting to organize the seminar within the month.

**Schedule of the webinar-** Dr. Tridib Kumar Sahoo was invited as a resource person and he agreed to deliver a speech on 28.11.2021 through online mode. On that day our technical committee created the link and invited all concern to join. At first, Prof. Arpita Chakraborty, convener of Green Club introduced the resource person. At 4pm Dr. Tridib Kumar Sahoo started his deliberation. His deliberation was magnificent and ended after one hour. Dr. Tanuka Acharya, HOD, department of Philosophy gave vote of thanks to all dignitaries.

**Brief bio-data of the resource person-** Dr. Tridib Kumar Sahoo is an eminent professor of botany. He works as an assistant Professor in Tamralipta Mahavidyalaya in the department of botany.

**Outcome of the webinar-** The webinar was able to make the audience aware about the importance of the green trees and forests, ill effects of deforestation and importance of plantation.

**Students' feedback-** All the audience particularly the students mesmerized while deliberation was going on. The deliberation was able to make them curious on the issue which was important for their grooming.

## Women's Legal Rights against atrocities and Legal

### Awareness and Consumers' Protection

Organised by the Department of Political Science

In collaboration with

IQAC, Narajole Raj College

08.03.2021

The Department of Political Science of Narajole Raj College has organised a **Webinar on 08.03.2021** in collaboration with IQAC, Narajole Raj College through online platform via Google Meet Application. We are feeling very blessed to host this Webinar, particularly in this time, when physical classes have been suspended, due to pandemic of Covid 19 virus.

**Necessity of the Webinar:** We have keen interest to celebrate the International Women's Day because all of us aware of the fact that this Day is celebrated every year to remember the struggles through which women achieved different socio-economic and political rights, equal status in the family, society and workplace. Therefore, we have organized this Webinar on Women's Legal Rights against atrocities and Legal Awareness and Consumers' Protection.

**Resource Person:** Prof. Kathakali Banerjee, Assistant Professor, Dept. of Geography, Subornarekha Mahavidyalaya, Jhargram, and Prof. Kaushik Chatterjee, Professor-in-Charge, Dept. of Business Law, St. Xavier's College are the respected invited speakers of the webinar. Our Honorable Principal -Dr. Anupam Parua, PhD, C.S. is the president of Organizing Committee of the webinar.

**No of Participants:** Total 53 participants from the Dept. of Political science and other Departments and Teachers of different Departments of our College have participated in this webinar.

**Topic Discussed by the Resource Person:** Prof. Kathakali Banerjee delivered a lecture on "Atrocities against women and Legal Protection" and she explained the issue from a deep inside view. Prof. Kaushik Chatterjee gave stress on the importance of legal awareness among people and special stress on protection of consumers' Rights. Both of them explained in details the importance of legal awareness for protection of rights of every kind and bring a positive change in the society. The interactive Session was very lively through the active participation of the students.

**Outcomes:** The explanations and suggestions of the Resource Persons regarding legal awareness and to practice in day to day life, be active to resist the violation of rights and to protect our rights, definitely inspired the students.. If everybody became aware of their rights and about their legal protection it might bring a positive change in the society. The discussions enriched them and they gained a clear conception on the issue. In long term this would be helpful in our society. The webinar enkindled the awareness about the legal protection among the participants and fulfilled the aim and objective of organizing the webinar.

### Nanomaterials Physics & Chemistry:Recent Developments & Applications (NPCRDA)

Organized by Department of Physics

In collaboration with

IQAC, Narajole Raj College

11.07.2021 - 12.07.2021

The Department of Physics of Narajole Raj College organized a Two-day National Level e-Seminar or Webinar named **Nanomaterials Physics & Chemistry: Recent Developments & Applications (NPCRDA)** on 11.07.2021 and 12.07.2021 from 10:00 am to 05:00 pm in collaboration with IQAC, Narajole Raj College through online platform via Google Meet Application. We felt very honoured to host this National Level webinar, particularly in this tough time, during this lockdown situation, due to pandemic of Covid-19 virus outbreak.

**Necessity of the seminar:** As we all know that the current world is incomplete without the revolutionary term *Nano*. It is well-known that nanomaterials are special for several reasons, but for one in particular – their size. In spite of their very small size, they have a big impact on our everyday life that makes them exciting and important to know about. As a result, we have become more and more interested in their technological and biological aspects these days. This huge interest sets up the necessity to organize this National webinar on Nanomaterials and their applications.

**Resource Persons:** Five (5) eminent and respected invited speakers across India gave their talk as resource persons in this webinar. Their name and designations are given here. **Dr. Md. Sayem Alam** (Principal Scientist, Polymer Science and Technology Laboratory, CSIR-Central Leather Research Institute (CLRI), Chennai), **Prof. (Dr.) Ranjana Jha** (Professor & Head, Department of Physics, Netaji Subhas University of Technology, New Delhi), **Dr. Ajit Kumar Jena** (Post-Doctoral Research Fellow, Department of Computational Materials Science, Indo Korea Science & Technology Center, Bangalore), **Dr. Joynarayan Mukherjee** (Assistant Professor, Department of Materials Science, Indian Institute of Engineering Science & Technology (IIST), Shibpur) and **Dr. Souvik Chatterjee** (Scientist-E, UGC-DAE Consortium for Scientific Research, Kolkata Centre) were our five resource persons.

**No of Participants: 200**

**No of Paper Presenter: 10**

**Topics Discussed by the Resource Persons:** Dr. Md. Sayem Alam delivered the **keynote address** of the webinar, entitled "Surfactants in Nano-Science and Nanotechnology". All other 4 speakers gave invited talks which are listed below.

Prof. (Dr.) Ranjana Jha – "Utilization of Nano/Micro Structure of Nickel Sulphide for Energy Devices"

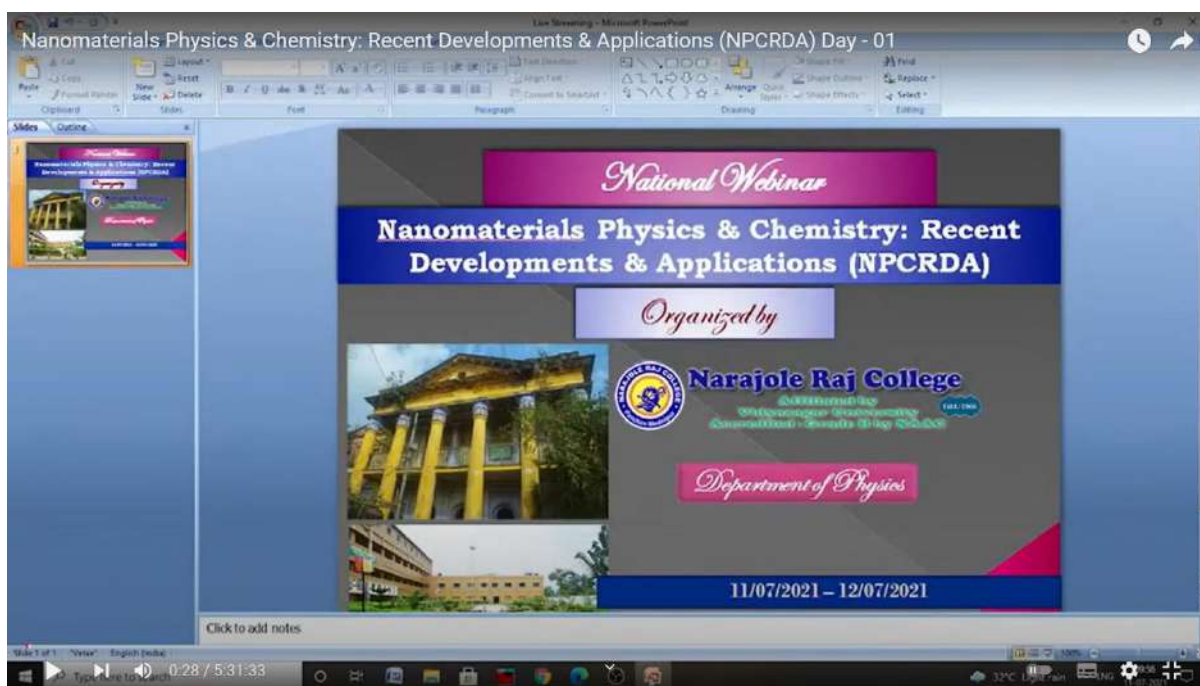

Dr. Ajit Kumar Jena – "Two-Dimensional Materials Properties from First Principle"

Dr. Joynarayan Mukherjee - "Electronic Transport Properties in Nanomaterials & Thin Films"

Dr. Souvik Chatterjee - "Magnetic Equiatomic Alloys: A New Class of Shape Memory Alloy"

**Outcomes:**The contribution and the cooperation towards the webinar from many people during these 2 days turned out to be highly satisfactory. We were able to see some excellent talks from the resource persons as well as the paper presenters. We got to know about some new and emerging fields of nanomaterials and their applications which were not known before. This helped us in building the basic concepts about nanomaterials thereby enriching new ideas to explore. Finally, we hope that we shall be able to look into more and more in this new direction in near future.

A one day workshop on Financial Education was organized by the Dept. of Mathematics, Narajole Raj College for the employee of our College in the Smart Class room (F5) on 23rd August 2022 from 1:30 p.m. to 4:30 p.m. The theme of the program was 'Financial literacy and digital tools'. The session for attended by 52 teaching and non teaching staff of our college. The session was taken by SEBI resource person, Mr B. C. Samanta an expert in financial Education.

The key highlights of the workshop are:

- 1) Financial planning for salaried employees
- 2) Understanding the basics of retirement plans
- 3) Do's and Don'ts of digital payments

The session was highly informative and enlightening. Mr. Samanta gave fruitful wealth Management Solutions aimed at increasing the financial wellness.

By the end of the session participants will be able to:

- Understand the value of everyday expenses
- Consider your personal long term goals
- Evaluate your goals according to a range of incomes
- Recognize different types of financial scams
- Identify possible characteristics of scams
- Take steps to prevent being a victim of scams

### **Observation of World Environment Day through online mode (in collaboration with department of Botany,NRC), on 5.6.2022.**

World environment day is celebrated every year by Narajole Raj College on 5th June to raise global awareness to protect nature and the planet earth. There are concerns about the melting of the world's ice, the burning of forests, the turn of the oceans into garbage dumps, the downfall of animal populations, and the presence of microplastics in our air, water, food, and even unborn babies. Environmental activists around the world are also at risk. Our mother earth faces three major planetary emergencies: Humans and wildlife cannot adapt to the rapidly warming climate; The loss of habitat and other factors threaten the extinction of an estimated one million species; We continue to pollute our air, land, and water because of pollution. There are many serious consequences associated with climate change, air pollution, water pollution, waste management, and deforestation. To raise awareness among the student, this year (2022) a National Level Webinar entitled "Living Sustainably in Harmony with Nature" was organized by the Department of Botany in collaboration with the Green Club, under the guidance of IQAC, Narajole Raj College, Narajole, Paschim Medinipur. The entire program was organized through google meet due to the COVID-19 pandemic. Students and teachers from all the departments participated and celebrated world environmental day.

**Report:**

**“Capacity Building & Training: Workshop for Young Aspirants on WBCS & Allied Services”**

Date: 30<sup>th</sup> April 2022

Venue: Seminar Hall, Narajole Raj College

Career Counselling Cell of Narajole Raj College has been actively working since 2014. The key moto of this cell is to provide proper information and guidance to the students by organising career oriented seminar, training, workshop etc. to ensure the overall development of our students and alumni, so that they get information and current scenario of job opportunity and prepare themselves accordingly before entry of their professional life. On 30th April 2022, the Career Counselling Cell and IQAC of Narajole Raj College organized a State Level Workshop on **“Capacity Building & Training: Workshop for Young Aspirants on WBCS & Allied Services”** for UG and PG students. We have invited **Mr. Suman Biswas** Honourable SDO, Ghatal, **Mr. Agniswar Choudhuri** Honourable SDPO, Ghatal, **Mr. Suprajit Hira** Honourable DEC, Ghatal, **Mr. Bikash Naskar** Honourable BDO, Daspur I, **Mr. Koushik Samanta** Honourable BL & LRO, Daspur, **Mr. Debashis Ghosh** Honourable CI, Ghatal, **Mr. Amit Mukherjee** Honourable OC, Daspur PS. as a resource person of the Workshop. The Workshop began at 11:00am in seminar hall of our college. More than 500 participant participated in this workshop out of which 457 students are registered for this workshop. The programme began with a warm Inaugurator’s address by our respected Vice-Principal Dr. Ranajit Kumar Khalua followed by introductory address by Dr. Sk Mohammad Aziz, Convener of the Career Counselling Cell, Narajole Raj College. Dr. Aziz addressed the students and the team and briefly discussed the purpose and aim of conducting this workshop in the College. He focused on the issue of ‘employability’ and emphasized the need for personality development in the current job market. The technical session of the Webinar then commenced. **Mr. Suprajit Hira** Honourable DEC, Ghatal, the 1st speaker of this session, introduced the key concepts how to crack WBCS, UPSC exam and also discuss thoroughly how to initiate preparation for such top class competitive exams. Our next speaker **Mr. Koushik Samanta** Honourable BL & LRO, Daspur gives very basic idea of how to follow the syllabus and plan properly to overcome of difficulties of this type of exam. In the final technical session **Mr. Suman Biswas** Honourable SDO, Ghatal elaborately discussed in details about WBCS, UPSC and allied service preparation related information and guidance through his nice PowerPoint presentation. After that there was a short interactive session with the students. In the valedictory session our honourable President of Governing body Mr. Sujit Kumar banerjee delivered the presidential address followed by vote of thanks by Dr. Rajasree Debnath. The whole programme was coordinated by Dr. Rajasree Debnath, convenor of Cultural and Seminar subcommittee. The Workshop was quite successful and the students were very enthusiastic about everything that they learnt on Capacity building and job eligibility in the sessions.

**INVITATION**

Dear Sir,

It is our great pleasure to inform you that the Career Counselling Cell in collaboration with IQAC, Narajole Raj College, is going to organize "Capacity Building & Training : Workshop for Young Aspirants on WBCS & Allied Services" on 30th April, 2022 at 10 A.M. The Career Counselling Cell of the college has always conducted workshops and training programmes that ensure the overall development of our students and alumni. We aim to prepare them to meet diverse professional requirements and would like to enlighten them regarding the modalities of the West Bengal Civil Service and Allied Services in the government sector.

We, therefore, solicit your cooperation and active participation in this workshop and hope that the valuable ideas that you share as part of the deliberations will help us fulfill our vision towards the employability of our students and alumni. We request you to kindly grace the occasion with your esteemed presence and to make the event a grand success.

## **Human Rights: Problems and Solutions of its application in Rural India**

Organised by the Department of Political Science  
In collaboration with  
IQAC, Narajole Raj College  
10.12.2022

The Department of Political Science of Narajole Raj College has organised a **Seminar to celebrate International Human Rights Day** on **10.12.2022** in collaboration with IQAC, Narajole Raj College. We are feeling very blessed to host this Seminar.

**Necessity of the Seminar :** We have keen interest to celebrate the International Human Rights Day because all of us aware of the fact that this Day is celebrated every year to remember the struggles through which different socio-economic and political rights, equal status were achieved in the family, workplace and society. Therefore, we have organized this Seminar on **Human Rights: Problems and Solutions of its application in Rural India.**

**Resource Person: Sri Narayan Bhai, Secretary, Indian Redcross Society, Ghatal, Paschim Medinipur** was the respected invited speaker of the Seminar. Our Honorable Vice Principal - Dr. Ranajit Kumar Khalua was the president of Organizing Committee of the Seminar.

**No of Participants:** Total 90 participants from the Dept. of Political science and other Departments and Teachers of different Departments of our College have participated in this webinar.

**Topic Discussed by the Resource Person:** Sri Narayan Bhai talked on the Topic entitled "Human Rights: Problems and Solutions of its application in Rural India". He elaborately discussed on the topic and pointed out the problems of application of Human Rights in rural areas. From his vast experience of working as the Secretary of Sarbik Gramin Vikash Kendra, an NGO, working in Ghatal sub-division and in the Paschim Midnapore District., he cited several incidents of violation of human rights in the villages. He also mentioned the solutions and ways of combatting the hindrances of human rights applications in rural areas. The interactive Session has become very lively through the active participation of the students.

**Outcomes:** The explanations and suggestions of the Resource Person on human rights applications and the solutions of its hindrances inspired the participants. The discussions enriched them and they gained a clear conception on how to enjoy and establish human rights for all, irrespective of rich and poor, educated and uneducated, gender and religion. In long term this will be helpful for them to enjoy human rights for themselves and others. The Seminar enkindled the awareness among the participants about the applications and establishing of Human Rights in the rural areas, where they live and fulfilled the aim and objective of organizing the seminar.

**On 25<sup>th</sup> April**

**Organized By**

**NARAJOLE RAJ COLLEGE**

**Department of Chemistry; Narajole; Paschim Medinipur- 721211**

**&**

**Indian Photobiology Society; Kolkata ; Jadavpur University-700032**

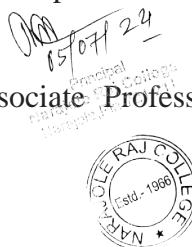

Department of Chemistry of Narajole Raj College has organised a **One Day State Level Seminar on “Recent Trends in Chemistry for Lab to Land Application” on 25th April at 11-00 am and onwards** in collaboration with Indian Photobiology Society; Jadavpur University-700032, under the guidance of IQAC, Narajole Raj College. We are feeling very blessed to host this state level seminar, particularly in post covid time.

### **Rationale of the Seminar**

It was such a seminar that was organised in collaboration with Indian Photobiology Society and Narajole raj College, dept. of chemistry. Students of Under graduate level from our college and also post graduate students and researchers from surrounding university and colleges participate in a large number. Our aim to organise the seminar is to make a connection between the laboratory scenario needs of chemistry in our daily life. Students got motivated to a great extent.

### **Resource Persons:**

1. Prof. Nitin Chattopadhyay, President, Indian Photobiology Society, Jadavpur University, Kolkata – 32
2. Prof. Chittaranjan Sinha, Secretary, IPS, Department of Chemistry, Jadavpur University, Kolkata - 32
3. Dr. Jhuma Ganguly, Head & Associate Professor, Department of Chemistry, IEST, Shibpur, Howrah
4. Dr. Gourisankar Roymahapatra, Treasurer, IPS, Associate Professor, Applied Science, Haldia Institute of Technology, Haldia

**No of Participants:**

Total number of participants is 65. Faculty members of our college and other colleges, research-scholars of different universities, students of our college and other colleges and universities have participated in this State Level seminar.

**Topic Discussed by the Resource Persons:**

The scientific session 1 of the seminar chairperson Dr. Soumendu Bisoi then commenced. Prof. Nitin Chattopadhyay, the 1st speaker of this session, introduced the key concepts of “Attitude of Learning and Teaching” and motivated the participants with his interesting PowerPoint presentation. In the 2<sup>nd</sup> speaker Dr. Jhuma Ganguly, introduced the key concepts of “Hydrogel and organogel Chemistry. In final technical session Chairperson Mr. Manik Shit, Joint Convener of the seminar then commenced 1<sup>st</sup> speaker Dr. Sushovan Bhowmik elaborately discussed on “Aqua Army is a save water movement.” through his nice PowerPoint presentation. In the 2<sup>nd</sup> speaker, Prof. Chittaranjan Sinha introduced the key concept of “Affordable & Clean Energy: Towards Design of Superconducting Material”. In the 3<sup>rd</sup> speaker Dr. Gourisankar Roymahapatra, discussed in basic “Computational Chemistry & DFT” After that there was a short interactive session with the students. In the valedictory session our vice Principal delivered the presidential address followed by vote of thanks by Dr. Soumendu Bisoi. The Seminar was quite successful and the students were very enthusiastic about everything that they learnt on personality development and job eligibility in the session.

**Outcomes: Outcome of the Seminar:**

The seminar organized jointly by Narajole Raj College and Indian Photobiology Society was concluded very well. Students, researchers and teachers have gained considerable knowledge by participating in these seminars. In this seminar the visiting resources person gave their personal and scientific speech. Narajole Raj College, Vice Principal, Dr. Ranajit Kumar Khalua Department of Chemistry and Indian Photobiology Society organised the seminar expressed very well and the vote of thanks on behalf of the College. Finally, the seminar organized by Indian Photobiology Society President Prof. Nitin Chattopadhyay express the seminar was very successful completed.

**Feedback:**

The response of the participants was very positive. During the technical sessions, they spontaneously interacted with the resource persons. In brief, the Seminar was quite successful and the students were very enthusiastic about everything that they learnt on personality development and job eligibility in the session.

# TWO DAYS WORKSHOP ON TECHNIQUES OF MUSHROOM CULTIVATION

Organized by

Department of Botany

In collaboration with the IQAC, Narajole Raj College

The Department of Botany organized a two days workshop Programme on Techniques of mushroom cultivation. The program was scheduled on 09.11.2022 & 10.11.2022. The main motto of the workshop was to generate self-employability among the students. Mushrooms are a rich source of protein and several vital nutrients. The cultivation techniques of the mushroom were opened up to the students and the various conditions and techniques were also discussed with them.

The workshop was presided by Dr. Ranajit Kumar Khalua, Vice -Principal of the college and conveyed by Prof. Nandita Bhakat, HOD, Department of Botany. Dr. Dulal Kumar De, Associate Professor and PG Co-Ordinator, Dept. of Botany, Midnapore College (Autonomous), was the key note speaker of the programme.

The teachers and students of the department of Botany along with the other teachers of the college joined the Programme.

The purpose of the workshop was to generate the confidence of self-employment among the students which was achieved at it's fullest. Through this workshop, the students learnt the various steps, procedures, duration of the mushroom bed preparation, harvesting of the mushroom from its bed and the precautions that should be taken during mushroom cultivation. They also gained knowledge about the raw marketing of the mushroom production after proper packaging. Keeping in mind the growing demand of mushroom as an important source of vegetarian protein, the recipes of the various edible and delicious mushroom products were also taught to them so that they can also plan for a startup by making use of the knowledge.

## Indian Women Across the Legal and Entrepreneurial Axes

A Webinar on "Indian Women Across the Legal and Entrepreneurial Axes" was organized by the Entrepreneurship Cell and Gender Equity Cell of Narajole Raj College under the IQAC's guidance on 23rd June 2023 via Google Meet. Mr. Aftab Alam and Dr. Kathakali Bandopadhyay were the esteemed speakers for the session and explored diverse subjects to provide an overview of the condition of women in the public and the private spheres. Mr. Alam spoke at length about the different structural and systemic aspects of the entrepreneurial ecosystem with references to the Indian market phenomenon. Dr. Bandopadhyay articulated the concerns that are associated with the idea of questioning and mapping acts of violence in intimate, familial and social relationships. Both the speakers generated a lot of questions among students and participants and mobilized an intensely interactive session. Pragna Paramita Mondal, IQAC Coordinator and Convener of the Entrepreneurship Cell, facilitated the webinar proceedings. Baisali Guha, Convener of the Gender Equity Cell, offered the vote of thanks to speakers, collaborators and attendees. Special thanks were delivered to the Technology Sub-Committee and to Dr. Rajasree Debnath, Convener of the Seminar and Workshop Sub-Committee for their support and cooperation. Total number of participants is 44.

## Department of Zoology

### Summary Report Outline:

**One Day State Level Seminar On  
"Wildlife and its Ecological Consequences"  
Organized by  
Department of Zoology  
In Collaboration with  
Department of Botany and Physiology  
Under the guidance of  
IQAC, Narajole Raj College**

**Date: 27th April, 2023**

**Time: 11:00 A.M. onwards**

**Venue - Narajole Raj College**

Department of Zoology of Narajole Raj College has organised a **One Day State Level Seminar** on "Wildlife and its Ecological Consequences" on **27.04.2023** at **11-00 a.m.** onwards in collaboration with Department of Botany and Physiology, Narajole Raj College under the guidance of IQAC, Narajole Raj College. We are feeling very blessed to host this National Level Seminar, particularly in post covid time.

#### 1. Rationale of the seminar:

Zoology focuses not only on the study animals and wildlife organisms, their traits and characteristics but also on how they interact with their ecosystem. Wildlife and biodiversity in general are threatened by land use change and land degradation, deforestation, pollution, climate change and ocean acidification. These are all issues that also threaten the well-being of human beings and sustainable development. Biodiversity is essential for the processes that support all life on Earth, including humans. Without a wide range of animals, plants and microorganisms, we cannot have the healthy ecosystems that we rely on to provide us with the air we breathe and the food we eat. Wildlife plays a vital role in maintaining the balance of our ecosystem. It serves various purposes ranging from protecting our biological

diversities to maintaining our cultural ethos. Wildlife is indispensable for striking a crucial balance that enables us to live and grow. India supports an extremely high diversity of wildlife. Sustainable use is when biodiversity and ecosystem functioning are maintained while contributing to human wellbeing. So, keeping this in mind, a one-day State Level Seminar on “Wildlife and its Ecological Consequences” is organized by Department of Zoology in Collaboration with Department of Botany and Physiology under the guidance of IQAC, Narajole Raj College.

**27.06.2023**

*The department of Political Science has organized a one day state level seminar on “Four Decades of Subaltern Studies and it’s Manifestation in Indian Politics” on 27.06.23 (Tuesday) at 11.30AM in the Smart Auditorium of the college under the guidance of IQAC, and assistance with Seminar and Workshop Committee and Technology Sub Committee, Narajole Raj College.*

## ***Rationale of the Seminar:***

*This year is the birth centenary of Prof. Ranajit Guha (1923-2023), the pioneer of the subaltern studies and the method of subaltern studies has completed four decades, as it was introduced through the publication of the Subaltern studies Journal in 1982. So it seems to be very relevant to discuss on subaltern studies from different angles – background of the emergence of subaltern studies, acceptance and application of the method and also criticisms against it. As India is a multicultural society, we ought to know the influence or*

*manifestation of Subaltern Studies in politics. As Subaltern Studies is a part of the syllabus, students would be benefitted from such academic discussion.*

***Resource person:***

*Professor Sibaji Pratim Basu, Department of Political Science, Vidyasagar University and former Vice Chancellor of Vidyasagar University was the keynote Speaker and Dr. Ashutosh Sarkar , Assistant Professor at the Department of History, Panskura Banomali College (Autonomous ), was the invited speaker.*

***No of participants :***

*The participants included mostly the students of various departments of the college. The total strength of the students was noted to be 52. Along with the students, teaching faculties from other Departments and non- teaching staffs were also present in the seminar. 10 delegates from different colleges also attended the seminar.*

***Topic discussed by the Resource person:***

*The resource persons discussed very effectively the background of the emergence of Subaltern Studies , its acceptability and popularity among the scholars , it's remarkable contribution in writing history especially the History of South Asia and it's influence in Indian politics. They clearly analyzed the changes occurred in Government policy and agenda of the political parties for the wide use and application of the method in a caste based Indian society. They also raised and explained the limitations of subaltern studies at present scenario.*

***Outcomes:***

*We gained a clear knowledge about Subaltern Studies. From the discussions and interactions, students came to know the importance of subaltern studies as a unique method and the need of rewriting history of India as it was written from the view point of the elite only. They also came to know that anyone can enquire and explain his/her own area where he/she lives and associated with. Above all this seminar explored the complex debates around the subaltern thought through academic deliberation.*

### **Feedback:**

*The students were very delighted to have got an opportunity to participate in the aforesaid titled seminar.*

*They interacted with the resource persons and talked about their own view of history and subaltern studies. This created an environment of open ended exchange of knowledge between the students and the resource Persons. . The students also demanded to participate in such type of seminars in the future also. At last, it can be ascertained that the motive of the seminar which was to create academic interest among the students was achieved successfully.*

**One-day National Level Seminar on Samprotik Bangla Kothasahityer Gotoprokriti (1970-2020)**

Organised by Department of Bengali  
In collaboration with  
Seminar-Workshop Sub-committee, Narajole Raj College  
Under the guidance of  
IQAC, Narajole Raj College  
6<sup>th</sup> April 2023

Department of Bengali of Narajole Raj College has organised a **One-day National Level Seminar on Samprotik Bangla Kothasahityer Gotiprokriti (1970 -2020)** on **06.04.2023** at **11-00 am and onwards** in collaboration with Seminar\_Workshop Sub-committee, Narajole Raj College under the guidance of IQAC, Narajole Raj College. We are feeling very blessed to host this National Level Seminar, particularly in post covid time.

**Rationale of the Seminar:** The focal area of the seminar is contemporary Bengali fiction. The topic of the seminar deals with last fifty years of Bengali literature along with its socio-economic and cultural perspective. The word 'contemporary' is itself very significant. This implies the belongingness of the equal time. Reading contemporary literature gives a unique life experience because as a reader one comes to know what his/her contemporary people are viewing towards the contemporary society as well as world. The contemporary writing reflects what others are thinking. When we read contemporary literature, we get into the familiarity of the other people's reactions to the present-day world and the course of life.

**Resource Persons:** 1. Sri Sadhan Chattopadhyay, eminent contemporary Bengali author.  
2. Dr. Bani Ranjan De, Professor, Dept. of Bengali, Vidyasagar University. 3. Dr. Tapan Kumar Khanra, Head, Dept. of Bengali, Kolhan University, Chaibasa, Jharkhand.

**No of Participants:** Total number of participants is 365. Faculty members of our college and other colleges, research- scholars of different universities, students of our college and other colleges and universities have participated in this National Level seminar.

**Topic Discussed by the Resource Persons:** Sri Sadhan Chattopadhyay, delivered his lecture as key - note speaker of the seminar. First, he explained the significance of the topic. Next, he described the features of contemporary Bengali fictions with the reference of contemporary Bengali writings. Dr. Tapan Kumar Khanra explicitly discussed on socio -cultural perspective, Socio-political movements and broad the mesh of contemporary Bengali fictions. Dr. Bani Ranjan De discussed on psychological aspects of Contemporary Bengali texts. Dr. De focused on the topic that how psychological background, -childhood memories, dreams, experiences affected the writings of the authors of contemporary time. The discussion was made with special reference to contemporary Bengali Short stories.

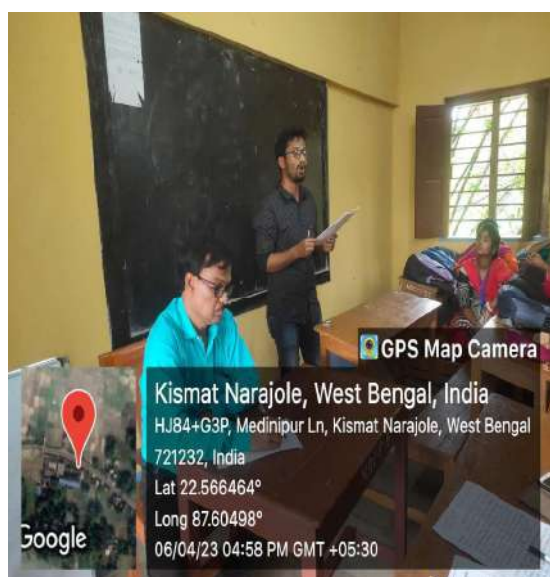

**Outcomes:** i) Participants got the idea about the contemporary Bengali fiction. ii) It reveals the wide variety of contents of contemporary Bengali writings. iii) The discussion explored the contemporary socio – cultural - political issues. iv) The discussion was also made about new genres of contemporary Bengali writings. v) young students made themselves updated through the topic.

**Feedback:** The response of the participants was very positive. During the technical sessions, they spontaneously interacted with the resource persons. Twenty-five research papers were readout in the seminar by the teachers, research scholars and students. In brief, the seminar was enabled to fulfill the academic thirst and philosophical aspects of the participants.

## Summary

A one day state level seminar on “Recent Trends on Graph Theory” was held on 15.05.2023 at the mini auditorium of the College.

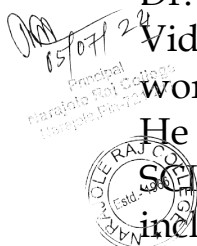

Mathematics is an integral part of our day to day life. Even people without mathematical training can use their fingers to count, can use basic logic to solve things, and can recognize different properties of shapes. Mathematics can help people to better understand and describe the world around them. So it is the Universal Language. The great mathematician, Pythagoras, believed that mathematics held the key to beauty and philosophy. So to continue mathematical thinking and motivate the students towards mathematics, we have planned this Seminar.

The Vice Principal Dr. Ranajit Kumar Khalua inaugurated the program at 11 am and the seminar ended with the vote of thanks by the HOD, Mathematics at 3 pm. Two Eminent Speakers Dr. Sambhu Charan Barman shared his vast knowledge on the Crisp Graph and Dr. Sovan Samanta Presented on the topic Fuzzy Graph Theory and its application in Social Networks. Total 43 participants participated in the Seminar.

### Brief Biodata of Speakers

Dr. Sambhu Charan Barman received his Ph.D. on Graph Theory from Vidyasagar University in 2013. Two research scholars are pursuing Ph.D. degrees at Raja N. L. Khan Women’s College under his supervision. He has published more than 20 papers in reputed journals, one book, one monograph, and other works. Also he is a member of International Graph Theory Research Center, Himalaya Samiksha Parishad, and International Association of Engineers. Formerly, he was an Assistant Professor at Singur College and at present he is an Assistant Professor of Sahid Matangini Govt. College for Women.

Dr. Sovan Samanta received his Ph.D. on Discrete Mathematics from Vidyasagar University in 2014. In 2016, he completed his postdoctoral work on Fuzzy Graph Theory from Hanyang University, South Korea. He has published more than 85 papers in reputed journals including 50 journals. He is an associate editor for several notable journals including Journal of Applied Mathematics and Computing, Springer,

Journal of Intelligent & fuzzy systems. He is remarkably included in top 2% scientist list by Stanford University for the year 2022. Previously, he was an Assistant Professor in Mathematics at IIT, Nagpur and at present he is working as an Assistant Professor in Mathematics at Tamralipta Mahavidyalaya.

### Themes addressed

- **Crisp Graph and their Application- Dr. Sambhu Charan Barman.**
- **Fuzzy Graph and its Applications in Social Networks - Dr. Sovan Samanta.**

### Outcome

The seminar would encourage active discussions among participants, allowing them to share their insights, ask questions, and engage in critical analysis of the presented topics. These discussions would help deepen the understanding of the material and foster collaboration among attendees. There would typically be dedicated question and answer sessions during or after each presentation, allowing attendees to seek clarification, delve deeper into specific aspects, and address any lingering doubts or concerns. Organizers may provide additional resources such as recommended readings, online courses, or research papers related to the recent trends in graph theory. These resources can help participants continue their learning journey beyond the seminar. Overall, the output of the seminar on recent trends in graph theory aims to disseminate knowledge, promote discussion, foster collaboration, and inspire further research and exploration in the field.

## FOOD ADULTERATION AND HEALTH HAZARDS

Organized by Department of Botany in collaboration with the Departments of Zoology and Physiology of NRC, under the guidance of IQAC, Narajole Raj College  
27.04.2023

The Department of Botany of Narajole Raj College organized a One-day State Level Seminar on **Food Adulteration and Health Hazards** on 27.04.2023 from 11:00 am to 4: 00pm.

### **Necessity of the seminar:**

Food adulteration is the act or process of intentionally or willingly degrading the quality of food items offered for sale, either by the addition or substitution of inferior substances or by the removal of some valuable ingredient to increase the life or to make it look more appealing in the eyes of the prospective customer. Adulterations can be grouped in to three categories- intentional adulteration, incidental adulteration and metallic adulteration. Now, it is the high time to generate awareness and consciousness among the students who are our future citizens and also among the teachers and others so that they can know about the hazards caused by consuming such adulterated food items and ways to avoid and detect to some extent the presence of such adulterated food. With the hope to achieve the above mentioned objectives, the Department of Botany is organizing one day state level seminar, collaboratively with the departments of Zoology and Physiology of Narajole Raj College at the smart class room of Narajole Raj College on 27.04.2023.

### **Resource Person:**

Dr. Dulal Kumar De, Associate Professor and PG Co-ordinator, Dept. Of Botany, Midnapore College (Autonomous)

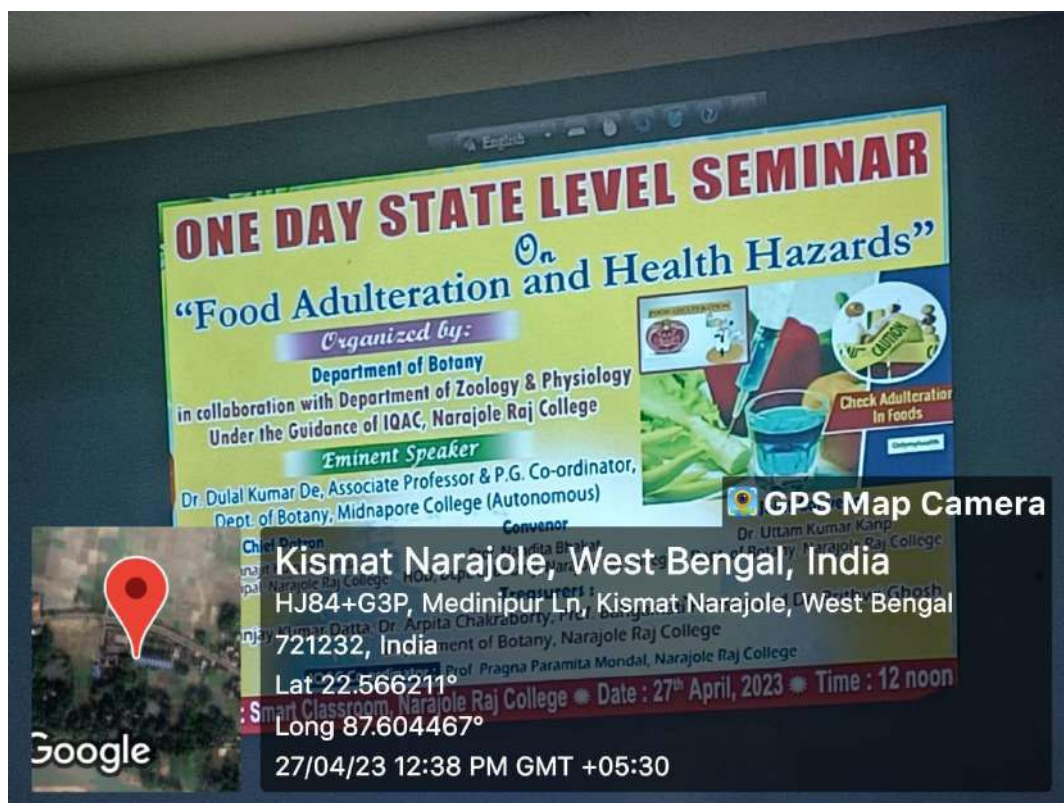

**No of Participants: 50**

## Outcomes:

The valuable discussion on the food adulteration and the various health hazards which are caused after consumption of these adulterated food was very well discussed in the seminar. The different adulterants were shown physically and also how and at what quantity the adulterants were mixed with the food was also depicted. However, the most interesting part of the seminar started from the moment, our respected resource person started mentioning the various methods that could be applied for identification of the adulterated food with the non-adulterants with the help of various easily available chemical tests. The knowledge delivered through this seminar will help to generate and spread consciousness among the students and their associates, not only regarding adulterated food but also to identify the adulterated food by applying various techniques and therefore avoid them as far as possible.

## **Workshop & Hands-on Training on Using Google Classroom as a Learning Management System (LMS) Tool**

The IQAC, Narajole Raj College, organized a "Workshop & Hands-on Training on Using Google Classroom as a Learning Management System (LMS) Tool" for the teaching faculty of the institution on 20th January 2023. Our Vice Principal, Dr. Ranajit Kumar Khalua, presided over the session and encouraged all faculty members to participate actively during the workshop. He also announced the outline of the LMS that the college is about to implement and the peer mentoring system that would put it in place. Dr. Tapanendu Kamilya and Dr. Avradip Pradhan, from the Dept. of Physics and both Members of the IQAC of the college, conducted the Technical Session of the workshop in a lively and interactive manner offering real-time demonstrations of the enormous possibilities of this software design. All faculty members were excited and enthusiastic about the convenience and user-friendliness of this application and the prospect of integrating our teaching and curricular resources with this new learning management system. IQAC Coordinator, Prof. Pragna Paramita Mondal, was the convener of the workshop. She indicated that the college has so far explored online education through both synchronous and asynchronous modes of learning and pedagogy and that this workshop marks the initiation of a centralized system of learning management that will be adopted uniformly by all academic departments. The implementation phase of this LMS will be supervised by our Chief Advisor, Prof. Barun Rout, who is the Joint Convener of the Technology Sub-Committee of the college. The workshop ended with a vote of thanks to the Vice Principal, the invited speakers, the chief advisor and all faculty members who attended the training schedule. Total 62 members are present at seminar.

08.03.2023

The Department of Political Science of Narajole Raj College in collaboration with Internal Complaint Committee and Gender Equity Cell has organised a **Seminar** on **11.03.2023** under the supervision of IQAC, Narajole Raj College and as per the instruction of the District Magistrate and District Collector and Sub Divisional Office, Ghatal.

**Necessity of the Seminar:** We have keen interest to celebrate the International Women's Day because all of us are aware of the fact that this Day is celebrated every year to remember the struggles through which women achieved different socio-economic and political rights, equal status in the family, society and workplace. Therefore, we have organized this Seminar on **Prevention of Sexual Harassment at Workplace Act, 2013**.

**Resource Persons:** Sri Sumon Biswas, honourable Sub Divisional Officer, Ghatal, Dr. Kathakali Bandopadhyaya, Assistant Professor, Dept. of Geography, Subornrekha Mahavidyalaya, Jhargram, were the respected invited speakers of the seminar. Our honourable Vice Principal -Dr. Ranajit Kumar Khalua was the president of Organizing Committee of the seminar.

**No of Participants:** Total 100 students of 6<sup>th</sup> and 4<sup>th</sup> Semester from the Dept. of Political science and other Departments and Teachers of different Departments of our College have participated in this seminar.

**Topic Discussed by the Resource Person:** Sri Sumon Biswas talked on the Topic entitled "Menace of Girl Child Marriage and ways of combating it". He elaborately discussed on the topic and pointed out the drawbacks of socialization of our society that cause the practice of child marriage till today, mostly in the rural areas and finally pointed out the ways of combating it through proper education, socialization and creating new vision among the girls. Dr. Kathakali Bandopadhyaya, Assistant Professor, Dept. of Geography, Subornrekha Mahavidyalaya, Jhargram, talked on the topic "Prevention of Sexual Harassment at Workplace Act, 2013" through power point presentation. Working women, irrespective of organized or unorganized, public or private sector have to face sexual harassment from their colleagues or employers or boss. She discussed the kinds of harassment and the procedures of legal protection of such harassments. The interactive Session has become very lively through the active participation of the students. As part of the celebration programme of International Women's Day two teams of our teachers and staffs visited two neighbouring Schools namely A.L.Khan Balika Vidyalaya (Secondary) and Mahendra Academy (Higher Secondary) and delivered lectures on Socio-cultural Issues concerning Girls and Young Women to raise awareness among them. # TWO DAYS WORKSHOP ON TECHNIQUES OF MUSHROOM CULTIVATION

Organized by

Department of Botany

In collaboration with the IQAC, Narajole Raj College

The Department of Botany organized a two days workshop Programme on Techniques of mushroom cultivation. The program was scheduled on 09.11.2022 & 10.11.2022. The main motto of the workshop was to generate self-employability among the students. Mushrooms are a rich source of protein and several vital nutrients. The cultivation techniques of the mushroom were opened up to the students and the various conditions and techniques were also discussed with them.

The workshop was presided by Dr. Ranajit Kumar Khalua, Vice -Principal of the college and conveyed by Prof. Nandita Bhakat, HOD, Department of Botany. Dr. Dulal Kumar De, Associate Professor and PG Co-Ordinator, Dept. of Botany, Midnapore College (Autonomous), was the key note speaker of the programme.

The teachers and students of the department of Botany along with the other teachers of the college joined the Programme.

The purpose of the workshop was to generate the confidence of self-employment among the students which was achieved at it's fullest. Through this workshop, the students learnt the various steps, procedures, duration of the mushroom bed preparation, harvesting of the mushroom from its bed and the precautions that should be taken during mushroom cultivation. They also gained knowledge about the raw marketing of the mushroom production after proper packaging. Keeping in mind the growing demand of mushroom as an important source of vegetarian protein, the recipes of the various edible and delicious mushroom products were also taught to them so that they can also plan for a startup by making use of the knowledge.

## Summary Report of Workshop on World Poetry Day

### Rationale:

World Poetry Day is held each year on March 21 to celebrate “the unique ability of poetry to capture the creative spirit of the human mind.” It was founded in 1999 by UNESCO in the hopes of promoting poetry as a way to communicate across borders and cultural differences. This workshop aimed to appreciate the sentiment that poetry can create and deliberate on how poetry can help us form meaningful relationships and enable us to expand our minds about history and cultures. It sought to highlight the value of self-expression and cross-cultural communication through language and words.

### Schedule of the workshop:

Narajole Raj College observed the World Poetry Day today on 22nd March 2024 in a fascinating manner.

The workshop was organized by the Dept. of English of the college and contained two sessions. The first session hosted an invited lecture by Poet Arpita Kundu on "Poetry: In Concept and In Practice".

In keeping with the mode of a workshop students were encouraged to participate in the proceedings. The second session thus contained a Poetry Collage Competition on the theme of 'War and Peace' for students from all departments of the college.

### Participants:

The workshop was attended by students and faculty members of the college. The total number of participants was 105.

The workshop was convened by Pragna Paramita Mondal, Head, Dept. of English of Narajole Raj College. The members of the workshop committee included:

Prof. Soma Debray, Associate Professor, Dept. of English, Narajole Raj College

Milan Mondal, Assistant Professor, Dept. of English, Narajole Raj College

Samir Kuilya, SACT, Dept. of English, Narajole Raj College

Manas Barik, SACT, Dept. of English, Narajole Raj College

The workshop was inaugurated and presided over by Dr. Basudev Mandal, Principal, Narajole Raj College.

**Brief bio of speaker:**

Arpita Kundu is the recipient of the Paschim Banga Bangla Akademi's Shakti Chattopadhyay Smarak Samman and the Krittibas Purashkar. She has been writing since childhood and got her work formally published in 2008. From 2012 onwards her poetry appeared in leading magazines such as Desh, Krittibas, Kobirtho and Kobisammelan. She has also penned several essays on poetry in various webzines. Her first anthology 'Gangeya Jamunar Tirey' was published in 2017 and received the Paschim Banga Bangla Akademi's Shakti Chattopadhyay Smarak Samman and the Krittibas Purashkar in 2019. Her second collection of poems - 'Parijayi ... Pratnatatwik' - was published in 2021.

**Themes addressed:**

Arpita Kundu spoke lucidly on poetic consciousness, artistic conscience, poetic practice, emotional integrity and aspects of imagination and psychological interconnections among poets and readers across ages and cultures. She discussed how poetic sensibilities are formed and how language functions as the vehicle of expressing profound thoughts and ideas. She selected examples from British, American and Bangla poetry making special references to poets such as Emily Dickinson, Jibanananda Das, Sunil Gangopadhyay to name a few. Her deliberations were infused with wonderful readings of select poetic pieces and a curated representation of her own works.

**Outcome:**

The diversity, depth and simplicity of her presentation touched our audience. It was really illuminating for the students and reconnected all of us with the sheer beauty of poetry.

The second session contained a Poetry Collage Competition on the theme of 'War and Peace' for students from all departments of the college. This novel format of poetic expression and creative articulation excited our students and several of them participated in the competition. Winners were given prizes and certificates at the end of the programme and all contestants were awarded participation certificates.
