GENERAL NOTICE

Subject: Effective Utilization of ONOS E-Resources

All Faculty Members are hereby informed that our College has access to the **One Nation One Subscription (ONOS)** initiative through the **INFLIBNET Centre**. ONOS provides access to a wide range of scholarly **e-journals, research articles and academic resources** from leading publishers for teaching, learning and research purposes.

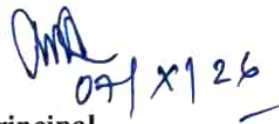

It is a matter of concern that the **usage of ONOS resources by our College is presently very low**. The recent ONOS usage report also indicates limited participation by our users. Such a valuable academic facility can be meaningfully sustained only when it is actively used. Therefore, all Faculty Members are earnestly requested to make regular and effective use of ONOS resources for **research, literature review, preparation of research papers, academic presentations, project work and updating subject knowledge**.

Every Faculty Member has already been provided with an **ONOS User ID and Password**. All are requested to use their respective credentials regularly and encourage students, particularly those engaged in projects, seminars and research-oriented activities, to make appropriate use of these resources.

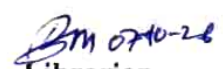

The **ONOS Portal**: <https://www.onos.gov.in>

Regular utilization of ONOS will not only strengthen the **research culture and academic activities** of the College but will also help demonstrate the effective utilization of our digital library resources during **institutional assessment and accreditation processes**.

Let us make effective use of this valuable facility and strengthen the academic and research environment of our College.
